H8E: Expanding Capacity for Coronavirus Testing (ECT) Supplemental Funding for Health Centers

- One-time funding to support health centers to prevent, prepare for, and respond to coronavirus disease 2019 (COVID-19). Specifically, funds may be used for necessary expenses to purchase, administer, and expand capacity for testing to monitor and suppress COVID-19.
- H8E awards are separate grants from the H80 operational grant award, and the H8C and H8D coronavirus awards.
- More information: ECT TA webpage.
  - Additional information about the purpose and allowed uses of ECT funds is available on the Coronavirus-Related Funding FAQ webpage.
- H8E activity and budget information is due in EHBs by 11:59 p.m. ET on Saturday, June 6.
- HRSA TA Call: Thursday, May 21, 3:30-4:30 p.m. ET
