

COVID-19

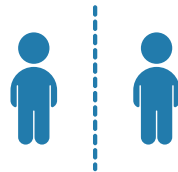

HOW TO MINIMIZE THE SPREAD OF GERMS

Here are three tips that can help you run your business while protecting staff and customers alike.

Wear a mask

Encourage your staff and customers alike to wear a mask while they are in your business.

Maintain a 6ft distance

Create pathways in your business to minimize congestion.

Sanitize high contact surfaces

Design a cleaning plan for your business, paying close attention to high contact surfaces.

What is a Community Health Center?

A community health center (CHC) is a federally funded medical center that offers primary care and other health services to patients regardless of ability to pay. Please visit our website at NCCHCA.org to learn more about the CHCs in your area.
