NCCHCA Updates

Marketplace Open Enrollment

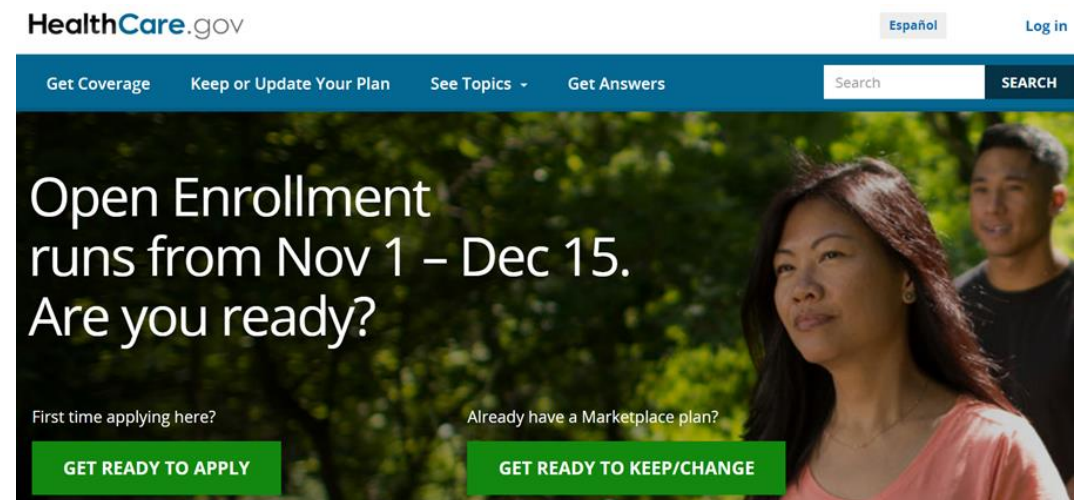

April Morgan, morgana@ncchca.org

Outreach & Enrollment Manager

Marketplace Open Enrollment

November 1 – December 15, 2020

- [Healthcare.gov](https://www.healthcare.gov)
- 800-318-2596
- [Six insurers offering coverage through the Marketplace in 2021](#) (up from four in 2020). Consumers will have more choices for their 2021 coverage.
- Enrollment assisters are assisting consumers (in-person and remotely) to help them complete the Marketplace application and select a plan.
- **Big thank you to enrollment assisters at community health centers!!**

Reminders

- **The ACA remains the law of the land.**
 - The U.S. Supreme Court is scheduled to hear opening arguments on November 10 about a case that could affect the future of the ACA.
 - There are many possible outcomes for the Supreme Court case, so no one should assume the ACA will be overturned.
 - *Nothing has changed for now.* Consumers should still enroll in coverage for 2021.
- The ACA provides protections for people with pre-existing conditions.
- Over 90% of Marketplace consumers in NC receive help paying their monthly premiums. Nearly 60% receive help with other healthcare costs (deductibles, co-pays, etc.).

Upcoming FQHC Task Force Calls
